Work Experience

- 06/21-09/21

Remote

Web Developer Intern | Tech Exordium

  - Learned about web development and was able to work on live projects.
  - Fixed bugs to improve user experience.
  - Built front-end web pages with positive user feedback.
- 06/22-07/22

Remote

Database Administrator Intern | Milestone Digital

  - Became knowledgeable in SQL through working on various projects.
  - Worked on SQL queries related to multiple projects, ensuring the accuracy and efficiency of the database.
  - Assisted in solving colleague's query, demonstrating my problem-solving skills and willingness to help out others.
- 12/22-05/23

Remote

React js Intern | Kintu Designs Pvt. Ltd.

  - Completed my React.js internship, contributing to a key project and developing skills in web development.
  - Collaborated effectively in a team environment, solving challenges and acquiring knowledge in React js.
  - Received positive feedback and achieved impactful results, optimizing performance and improving user interfaces.

Projects

- 10/20-12/20

Hotel Management Website

  - Developed front-end for a hotel management website using HTML, CSS, and JavaScript which allowed users to handle all touring activities and hotel services, simplifying the task of end users.
  - Successfully gathered requirements from various stakeholders such as tour operators, travel agencies, customers etc. and designed and built an easy to use interface for the website accordingly.
- 02/21-03/21

News Website

  - Developed front-end for news website and utilized HTML, CSS, JavaScript, and Bootstrap to create responsive website design.
  - Incorporated PHP backend to increase site functionality by 50%.
- 09/21-11-21

Student Feedback System

  - Developed a feedback system using React.js, Bootstrap, Node.js and MongoDB which allows student, teachers and parents to provide their feedback in one display
  - Implemented a user-friendly interface for the website which makes it easy for users to perform various feedback
  - Created a database using MongoDB to store all the feedbacks provided by the users

Education

- 2019-2023

Grade-8.71

Bachelor of Technology - Information Technology

Devang Patel Institute of Advance Technology and Research (Charotar University of Science and Technology), Anand, Gujarat
- 2017-2019

Grade-85%

Higher Secondary Certificate - Science

Atul Vidyalaya, Atul, Gujarat
